Mike	Feinsilber	former asst. bureau chief in Washington and former part-time writing coach in Washington bureau
Michael Lew	Felberbaum Ferguson	newsperson Richmond Va. Correspondent, Topeka, KS, 1970-99. Worked 39 years for AP. I am especially offended by what management did to Bob Lewis and the others, because I was AP's senior statehouse correspondent when I retired in 1999 and know the pressures and pitfalls those covering politics and government face. This gross overreaction should be reversed.
Doug	Fisher	former Columbia, S.C., news editor
